Renovators will feel right at home at the 2019 Brisbane HIA Home Show

The Brisbane HIA Home Show will be returning to the **Brisbane Convention and Exhibition Centre from Friday 13 - Sunday 15 September 2019**. The Home Show continues to be the premier destination for Brisbane homeowners and trade members who are looking for the latest in building and renovation products, with 200+ exhibitors showcasing the latest products and trends for kitchens, bathrooms, interiors and outdoor living.

In 2019 the HIA Home Show will showcase an interactive, fully functional **tiny home, designed by Baahouse + Baastudio** and will feature materials and finishes supplied by 2019 exhibitors, including **Domayne Hire & Property Styling QLD, Rinnai Australia, JD Lighting and more!** The design utilises all areas while ensuring functionality within the home, and can be modularised to fit any site and have extra rooms, all while complying with the Brisbane 2nd dwelling building code.

Whether you're looking for smart lighting, intelligent security or fully automated connected living, the **Smart Home Hub** at the Home Show is a must-see for all home automation enthusiasts. Featuring a variety of home automation product and service providers, the Smart Home Hub will centre around a Seminar Stage offering educational presentations on the technology of today and tomorrow, and factors you should consider when making your smart home technology investment.

For the renovation rookie or design novice, the **HIA Ask an Expert Zone** will offer FREE 20-minute consultations with a HIA professional. Visitors can also bring their plans and design ideas for a personalised consultation with a building designer, renovation, kitchen or bathroom expert. Bookings can be made either online or at the Show.

The **Stocks Appliances - Smeg Cooking Stage** will inspire clever cooking with chef Jan Woods demonstrating some of the many benefits of cooking with steam and how to best use some of the new Smeg kitchen appliances in the market. The event is rounded off with a chance for visitors to taste the dishes and ask questions.

Whether you're building, renovating or redecorating, you can visit the **Renovate Build Decorate Seminar Series** for inspiration and ideas. Transform your home with tips, trends and advice including how to design a future ready home, kitchen and bathroom renovation tips, workshops for first home buyers and more!

Tickets are available to purchase at the door or online (discounted) at brisbanehomeshow.com.au. Kids under 14 and trade members can enter the Show for free. For all media enquiries, interviews, images, media passes and promotions, please contact:
